For Second Consecutive Year Memory Experts International Named #1 IT Security Company by the Branham Group and Backbone Magazine

Montreal, Canada – April 23, 2009 – Memory Experts International Inc. and its division MXI Security™, the leader in providing superior managed portable security solutions, today announced, that for the second year running, it has been selected as the number 1 ranked Branham300 Top 10 Canadian IT Security Companies, and ranked number 61 overall among the Branham300 Top 250 Canadian Technology Companies.

“We are grateful to once again be recognized as the leader in the Canadian IT Security industry,” said Lawrence Reusing, CEO of MXI Security. “This acknowledgment demonstrates the trust that MXI Security’s clients have shown us, which has greatly contributed to the company’s consistent growth over the years.”

“The recent introduction of our revolutionary Stealth M-Series encrypted USB devices further demonstrates our commitment to helping public and private organizations of all sizes secure important data and assets,” said Reusing. “This dedication drives us to continue to develop and market only superior portable security products and solutions.”
